

Not Necessary To Answer

Teacher: "I have two questions, it isn't necessary to answer the second question if you know the result of the first question. How much hair do you have? "

Student : "A hundred and twenty millions. "

Teacher: "How do you know it? "

Student: "It is not necessary to answer the second question. "

无 需 回 答

老师：“我有两个题目，你若能答出第一题就不需答第二题。你有多少根头发？”

学生：“1. 2 亿根。”

老师：“你怎么知道？”

学生：“第二题不需回答。”
