

The reds or the greens?

Two apples up in a tree were looking down on the world. The first apple said, "Look at all those people fighting, robbing, rioting — no one seems willing to get along with his fellow man. Some day we apples will be the only ones left. Then we'll rule the world." Replied the second apple, "Which of us — the reds or the greens?"

红的还是绿的？

树上的两只苹果俯瞰着世界。第一只苹果说：“瞧瞧这些人吧，争斗、抢劫、骚乱——似乎就没有人愿意与别的人好好相处。总有一天，我们苹果就会成为世上惟一的幸存者。到那时我们就将统治世界。”第二只苹果回答说：“我们中的哪些呢——红的还是绿的？”
