Larry 和李华正在开车去看朋友，可是在纽约皇后区迷了路。李华今天会学到两个常用语：make a u-ey 和 step on it。

LL: Uh, Li Hua, I think we are going the wrong way. I think we need to make a u-ey.

LH: 什么，我们走错路了啦？要 make a u-ey，那是什么意思啊？

LL: To make a u-ey is to take a u-turn. U-ey - U-EY. I think you can make a u-ey up at the light ahead

LH: 往回开是对的。但是，Larry，你没看见在灯前面有不让调头的牌子嘛！

LL: Oh, you are right, Li Hua. We can't make a u-ey there. There is a "No U-turn" sign.

LH: 是啊，这里明明写着“不许调头”。

LL: Yeah, if a cop had seen you, he would have given you a ticket for making a u-ey there.

LH: 我们还是小心点吧，给警察看见一定会罚款的。

LL: Hey, Li Hua, do you see that 7-11 on our right? You can make a u-ey in the parking lot. There is no problem with turning around in a parking lot.

LH: 这是个好主意，右转到 7-11 杂货店的停车场；再在那儿调头。这肯定没有问题。Larry，你好聪明哟。

(Sound of driving car)

LL: Nice work! Now we should be headed in the right direction.

LH: 方向是对的，可是你千万不要大意，我可不想再 u-ey 了。

LL: Uh...Li Hua, I have some bad news.

LH: 什么，又有什么坏消息？

LL: I think we passed the street we need to turn down again. I'm afraid we'll be making another u-ey after all!

LH: 你说什么？我们又错过了该转的路口？天啊，我们又得找地方调头了。

LL: We are really running late now, Li Hua. We better step on it!

LH: Step on it? 你要踩什么?

LL: Step-STEP, step on the gas pedal. We need to hurry up and make this car go faster.

LH: 噢, step on it 就是踩油门! 我们是有点儿晚了, 可是我不想 “step on it.”

LL: You don't have to speed, Li Hua. Just step on it a little bit. Just go a little faster.

LH: 我可以踩油门, 再开快一点。不过安全也很重要哟!

LL: Of course it is important to drive safely, and if you really don't feel comfortable stepping on it, then you shouldn't. A little late is all right!

LH: 就是嘛! (Siren sound) 哟, 不好了, 后面来了警车, 要我停下来。

LL: Well, now you better step on it!

LH: Larry!你说什么? 你让我加速, 你疯了吗?

LL: I'm just kidding, Li Hua. You really should pull over and see what the police officer wants.

LH: Larry, 都是你叫我 step on it, 你还有心思开玩笑? 我把车停在路边, 让我下车看看警察怎么说。

(Sound of street and talking)

LL: What did the police say? Did he give you a ticket?

LH: 我以为警察肯定会给我罚票。其实呀, 警察觉得我们好象迷路了, 问我要不要帮忙。Larry, 幸亏我没有加速。不然我们就就惨了。

LL: That's great, but now we are even later than before. Let's step on it!

LH: 还要让我 step on it! 你真是疯啦?

今天李华学到了两个常用语。一个是 make a u-turn, 意思是开车的时候调头往回开。李华学到的另一个常用语是 step on it, 意思是踩油门, 加快速度。
